Hi Wendy

Jen in BIS thought this might an official information request thing - could you advise if this would require a proper LGOIMA request?

Thanks,

Subject: Council Data

Hi

In the past I have had some really nice data from the council for secondary students to analyse (e.g. building permit numbers, animal control callouts, noise complaints...).

I have lost the name of the person to contact for access to data (as I last emailed them from a different school). Could you please put me in touch with who I should ask for up to date data?

In particular, I would like students to be able to analyse patterns over time (data that is recorded monthly or quarterly over a number of years).
