Dear Marion,

I apologise for the delay in responding to your request.

I have searched Council's database and as far as I can see Columba College has engaged a project management company but they have not yet lodged any applications for planning consent or building consent, therefore no plans are available to view.

I do not know when they plan to speak to neighbours, but I suggest you contact the college directly with your questions and I'm sure they will be able to help you.

Otherwise you might want to send another request to me in a month or two and I can check again whether any applications have been received.

Sorry I cannot help you further,
Regards
Arlene Goss

Subject: Local Government Official Information request - 543882

Marion has submitted a LGOIMA request - 543882.

Below are the details of the request

Request details:
Good morning, after reading the article on the proposed building at Columba College, 1st

stage anticipated to start July 2016, I would like to know if any information is available. It is of immediate interest to me as my property is adjacent to Columba. The ODT article states that the college "will speak to the neighbours" are you aware when this is likely to occur as I would presume that the proposed scheme is well advanced. Are there any plans available for review. Many thanks for your assistance. Kind regards. Mrs Marion Coville
