Dear Sarah,

I'm writing in reply to your request regarding car parking on the legal road outside 1 Titri Place in Mosgiel.

I have checked records relating to Titri Place and also 1 Titri Place.

There is nothing that I can find in these records allowing a resident to restrict parking in the location or way described.

In general, any vehicle which is registered, warranted and licensed may park on any road as long as it parks legally.

Parked legally means clear of any vehicle access and in accordance with any traffic sign, parking sign or road markings eg.time restrictions or broken yellow lines.

I trust this answers your question, and please contact the undersigned if you wish to clarify further.

Kind regards
Michael

Sarah has submitted a LGOIMA request - 538784.

Below are the details of the request

Request details:

I am wanting to find out weather a parking space on Titri Place mosgiel is public or is for

the private use of the owners of 1 Tirti place as they seem to think. This park can be seen on the street view on the DCC website and is on the left of the road when entering the street. The owners of 1 Tirti place believe it is solley their park to use and order any one else to move their vehicle. please see the attached image of the parking space
