Subject: Draft minutes 140916.doc

Dear Alice,

I have attached the draft minutes from the hearing for your information. These have not yet been confirmed as correct but I am sending them to you because confirmation is not likely to happen for some time due to the changing over from the old council to the new council. This means it will be a month or longer before these minutes go before the full council for confirmation.

You just need to know that this draft does not hold any legal weight until the minutes are confirmed.

Regards
Arlene
