Dear Ms Burns-Francis,

Official information request for cost of PRINTING RATES NOTICES

I refer to your official information request dated 8-August-2016 for "the cost to Council for printing the most recent round of rates assessment notices, and whether the notices are printed in black and white, or colour, and if there is any deviation among the notices – e.g. if there is a variety of pictures or colours on the notice, reflecting different areas, suburbs or regions."

I apologise for the delay in responding to your request.

Our rates notices are split into four areas. The cost of printing notices for each area for the latest rates instalment is as follows:

Area 1 \$2,806.90
Area 2 \$4,382.28
Area 3 \$4,676.96
Area 4 \$623.46

Total \$12,489.60 per quarter

The notices are laser printed in colour with five different types of notice depending on which payment plan the ratepayer is on.

If you wish to discuss this information with us, please feel free to contact me and I can put you onto the relevant staff member to answer your questions.

Yours sincerely
Arlene Goss
