Dear Mr Carr,

Official information request for MIGRANT WORKER ACCOMODATION

I refer to your official information request dated 22-August-2016 for 'details of all complaints received since 1 January, 2016, regarding migrant workers being accommodated without consent in commercial dwellings in Dunedin and any follow up action taken by the Council in response.'

In response, I have checked with the planning/regulatory and environmental health staff and they inform me that they are not aware of any complaints regarding migrant workers being accommodated without consent in commercial dwellings in Dunedin.

If you wish to discuss this further with us, please feel free to contact me and I'll put you in touch with the best staff member to answer your questions.

Yours sincerely
Arlene Goss
