Dear Anna

I refer to your email dated 8 August 2016 requesting the cost to Council for printing the most recent round of rates assessment notices.

Your request has been considered under the Local Government Official Information and Meetings Act (1987) I wish to advise as follows:

- 1) The cost to Council for printing the most recent round of rates assessment notices:
The cost was \$12,489.60 excluding GST.
- 2) If notices are printed in black and white, or colour:
The rates assessment notices are laser printed in colour.
- 3) If there is any deviation among the notices such as if there is a variety of pictures or colours on the notice, reflecting different areas, suburbs or regions:
There are five different types of rate notices depending on what payment plan the ratepayer is on/

You have the right to seek a review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or Freephone 0800 802 602.

If you wish to discuss this further, please contact me.
