Hi Andy,

In regards to your Warm Up New Zealand Fund enquiry please accept our apologies for the further delay in response to your questions. We have been processing a high volume of requests and are now in a position to report the answers to your enquiries.

Your questions are repeated below:

1. The Yearly (preferably monthly) value of works funded or rated under the Warm Up New Zealand fund since its inception in July 2009.

The funds are paid to a third party in two or three instalments a year.

2009/2010 \$62,500 EnergySmart Ltd  
2010/2011 \$16,550 EnergySmart Ltd  
2010/2011 \$45,950 Otago Regional Council  
2011/2012 \$62,500 Otago Regional Council  
2012/2013 \$62,500 Otago Regional Council  
2013/2014 \$62,500 Otago Community Trust  
2014/2015 \$62,500 Otago Community Trust  
2015/2016 \$62,500 Cosy Homes Charitable Trust

2. If possible, a copy of the memorandum of understanding between your Council and EECA regarding the fund.

The funds, listed above from the DCC, do not go to EECA. The contribution from the DCC is donated to third parties, listed above, who also leverage other funds to increase the number of houses that are able to be insulated through the EECA scheme.

EECA require installers to provide third party funding in order to bid for home insulation quota.

EECA act as a part funder. The EECA funds are paid directly to the installers whose work is audited by EECA to EECA standards. As there is no direct contractual relationship with the Council does not hold an MOU or contract with EECA. This aspect of your request is declined under section 17(e) Local Government Official Information and Meetings Act 1987 as the information

requested does not exist.

Regards,

Kristy Rusher
