Subject: RE: Local Government Official Information request - 570146

Dear Yuyin,

This information is on our website at

<https://apps.dunedin.govt.nz/webmaps/secondgenerationdistrictplan/>

After the map has loaded turn off everything in the left hand menu except Land Information and Hazards. Then type the address you are searching for in the search box in the upper right corner.

If you need any help please get back to me.

Regards

Arlene
