Dear Brian

We are sorry for this very late reply as we had a lot of requests and we also have staffing issues. This email is regarding your request which was refined after 4 April 2017.

Please find attached the link to the files your requested. The Development 100 files for this property no longer exists but I have retrieved all the relevant files associated with the property. You have 2 weeks to look at these files before the link expires.

I trust these files contain the documents you seek.

Kind regards

Janet Leong
