Hi Jordana,

Unfortunately we are not able to provide you with the answer to your questions as we would have a large number of records to search through, particularly in relation to how many dog owners there are within 1-2km of each park. However, we can tell you:

How often the lawns are mowed: Between 33 and 38 times a year

How often maintenance is needed or requested by the public, eg. fence updating: 40 calls for maintenance between 1 January and 30 June 2017

Whether there is a budget given to the DCC for these dog parks, and if so, how much?: Budget is spread across all reserves. (so we are not able to provide an exact breakdown for money spent / allocated on dog parks).

All the best with your assignement!

Regards,
