

S L Dreys

Dear Mr Dreys,

Official information request for BRIDGE OVER RAILWAY

I refer to your official information request dated 23-January-2017 for "documentation, minutes, design work, budgeting, communications, and any other related information regarding the previously proposed cycle and pedestrian bridge over the railway, from Queens Gardens to Fryatt St/Thomas Burns St."

The information you have requested is contained in files too large to attach to an email, so it can be downloaded at the following link .

I have made the following redactions:

In documents less than 10 years old I have redacted the names and contact details of current staff to protect their privacy under section 7(2)(a) of the Local Government Official Information and Meetings Act (1987).

In documents greater than 10 years old I have left the names open to view.

In documents less than 10 years old I have redacted commercially sensitive information such as contract pricing details to protect the commercial position of contractors under section 7(2)(b)(ii) of the Local Government Official Information and Meetings Act (1987). In documents greater than 10 years old I have not redacted price information.

Several old documents have "Confidential" on them. I have considered the content of these documents and my opinion is that they no longer contain information that meets the reasons in the Act to withhold. Therefore I have not redacted them.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

If you wish to discuss this information with us, please contact Transportation manager Richard Saunders at 03 477 4000.

Yours sincerely
Arlene Goss
