

26 April 2018

[REDACTED]

Dear [REDACTED]

Local Government Official Information and Meetings Act 1987 request (LGOIMA) for information about expanded foam polystyrene (EPS).

I am writing in response to your official information request received 19 April 2018 about expanded foam polystyrene (EPS) and if the Dunedin City Council has included this in its waste minimisation and recycling program.

I advise that EPS is not currently included in our Waste Management and Minimisation Plan. The Waste Management and Minimisation Plan (2013) is about to be reviewed, and a revised (or new) plan is scheduled to be adopted by September 2019. The review will involve engagement with industry stakeholders and public consultation.

It is unknown at this stage if EPS will be included in the revised Waste Management and Minimisation Plan 2019.

Yours sincerely

Rebecca Murray
Governance Support Officer
