Dear Shani

**Local Government Official Information and Meetings Act 1987 (LGOIMA) request for information on hold music.**

I am writing in response to your request received 22 November 2018 requesting the amount spent by Council on hold music, service providers and a full playlist.

- 1) The total amount spent by the Council on hold music for the 2017/18 financial year was \$14,550 exclusive of GST.
- 2) The name of the service provider engaged by the Council to provide hold music is One Music NZ. Our CCM manages this licence for the whole of the organisation. This licence allows the DCC and amenities to play recorded music, radio etc and live music in its public amenities and public spaces., including Music on hold.
- 3) The full playlist of songs which are used as hold music is attached.

Yours sincerely

Rebecca Murray  
Governance Support Officer
