Ms Tabitha Lorck

Dear Ms Lorck

Local Government Official information and Meeting Act (LGOIMA) request for information about job titles and salary bands

I am writing in response to your official information request of 19 October 2017. Please accept my apology for the delay in replying to your request. Set out below are responses to your information request.

1. A full list of job titles

Please find attached a full list of job titles for the DCC as requested.

2. An estimated salary band for each job title

Having considered your request, we have decided to withhold the information requested under section 7(2)(a) of the LGOIMA, to protect the privacy of the employees of this council. While each job title has a salary band attached to it, it is easy to identify individual staff within each job title, noting also that many job titles are for sole positions.

I have enclosed for your information the grades and their associated salary range.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz.

Yours sincerely

Sharon Bodeker
Team Leader Civic
