1 November 2018

Dear

Local Government Official Information and Meetings Act 1987 (LGOIMA) request for the pH level and chlorine concentration of the water at Moana Pool

I am writing in response to your official information request dated 13 October 2018 regarding the pH level and chlorine concentration of the water at Moana Pool, and my emails of 18 October seeking clarification. You confirmed that you required one month of testing on the main pool and the dive pool excluding the old dive pool.

Please find attached the information as requested.

I hope this information is of assistance.

Yours faithfully

Rebecca Murray

Governance Support Officer
