Dear [REDACTED]

**Local Government Official Information and Meetings Act 1987 Request**

I refer to your e-mail of 21 September requesting how many dollars has been allocated in the Annual Plan for roadside clean-up of domestic, commercial and industrial rubbish illegally dumped on all roads in the DCC area? Has there been different dollar amounts allocated for urban and rural areas?

I advise that the Water and Waste Group and Transport Group have a combined budget of \$100,000 per annum for illegal litter control. This is a citywide budget and is not applied to any specific area.

I trust this answers your request.

Yours faithfully
