Dear [REDACTED]

Local Government Official Information and Meetings Act (1987) request for information on fluoride suppliers

I am writing on response to your official information request dated 15 August 2018 which was transferred from the Ministry of Health to the Dunedin City Council regarding a list of suppliers for the fluoride which is used in water supplies.

In answer to your question raised, currently all the fluoride we use is sourced from:

Laurence Oliver
Consolidated Chemicals (NZ) Ltd
Auckland

Previous to this we sourced our fluoride from:

Chris Rosser
DC Rosser & CO Ltd
Auckland

I hope this information is of assistance.

Yours sincerely
