I am responding to your official information request, received on 13 March 2021 seeking information on the DCC leased carparks waiting list, specifically:

- the total number of people placed on the waiting list for long term parking in the Central area during the recent three years you have records for;
- the length of waiting time in each of the carpark building and off the street parking, in months, each person spent on the waiting list.

The total number of people placed on waiting lists for all the DCC leased parks, for long term parking in the Central area since 2018, as at 13 March 2021 370 have been on the waiting list.

The average length of waiting time for each DCC leased carpark, in months, is as follows:

Crawford Street	10.5 months
Dowling Street	17 months
Great King Street	4 months
Lower Moray Place (Regent Theatre)	30 months
Moray Place/Filleul Street	5.5 months
Queens Gardens	15 months
Rankeilor Street	20 months
Railway Station	4.1 months
Thomas Burns Street	3.4 months
York Place	5 months

Yours sincerely
