Subject: Response to Official Information request regarding how many people charged under the Litter Act for willfully breaking bottles or glass in Ōtepoti

Dear [REDACTED]

I am writing in response to your information request, received on 16 March 2021 (as below). I advise that the DCC Litter Compliance Policy (created under the Litter Act 1979) was adopted on 1 May 2018.

Since that date DCC has not issued any fines or pursued any conviction for the wilful breaking of bottles or glass in the Dunedin territorial area.

I trust that this answers your request.

Yours sincerely

Lauren McDonald
