Subject: LGOIMA requesting individual property water meter information

Kia Ora [REDACTED]

I am writing in regards to your Local Government Official Information and Meetings Act 1987 (LGOIMA) request, for ease of reference your request is provided below.

The 3 Waters Contract Delivery Manager, Chris Jones, has provided the following in response to your questions raised.

"DCC only meters consumption of Non-Domestic points of supply. This is anything that is typically deemed non-residential ie Business's, Farms, industrial and Lifestyle blocks (albeit residential they are a larger than typical user of water) etc.

There are no plans currently in place to extend the metering of water consumption to residential properties."

I trust this answers your request.
