Dear Shawn

I refer to your request below seeking the number of people who have permission to plant on DCC road reserves, broken down by suburb.

The information you have requested is held on individual property files and not in a central database. It would take a considerable amount of staff time to locate and research the information. Therefore, pursuant to section 17(f) of LGOIMA your request is declined as the information cannot be made available without substantial collation or research.

As we have declined to provide the information requested you have the right to seek a review by the Office of the Ombudsman. <https://www.ombudsman.parliament.nz/what-ombudsman-can-help/complaints-about-government-agencies>
