Dear [REDACTED],

I refer to your request below for the calendar year 2020 and provide the following answers.

How many requests for information were received under LGOIMA / OIA
For the 2020 calendar year 222 requests for information were received.

How many of these did not mean the statutory period,

a. why were they missed.

Of these 222 requests 54 did not meet the statutory period. The ability to access information in order for the requests to be responded to within the statutory timeframe was impacted by COVID-19 and the national lockdown.

How many requests / Complaints were received from the Office of the Ombudsman

Ten complaints were received from the Office of the Ombudsman.

What was the average time period for the information to be sent to the requestor?

Your request for the average time period for the information to be sent to the requestor is declined pursuant to section 17(g) as the information requested is not held by the Council.

As we have declined to provide some of the information requested I advise that you have the right to make a complaint to the Office of the Ombudsman.

Regards

Clare Sullivan
