Dear [REDACTED]

I am writing in regards to your LGOIMA request below received 28 July 2020.

The Group Manager Transport, Jeanine Benson, has provided a response to your questions raised below.

1. The progress of the Portobello Road intersection safety improvement?
Concept plans are now complete
2. When do you expect detailed designs to commence?
With the assistance of NZTA funding the detailed design work will be underway in the coming months
3. Who is the contractor to do the works?
No contractor has been appointed yet
4. If no contractor yet, when and how do you expect to appoint one?
Once the improvements have been agreed with by the NZTA for their contribution to the cost, a tender process would be undertaken and appoint a Contractor which is anticipated to be next year

I trust this answers your request.

Kind regards
