Subject: LGOIMA request - mayoral/ chair expenses

### Hi

Could I please be provided with the following under the Local Government Official Information and Meetings Act:

The total amount the mayor / chair has spent since being elected in 2019.

Please provide in a table a breakdown of these expenses line-by-line and details of what they were for. Ie the table should consist of Item, Cost, Reason and Date. This should include any entertainment costs, office equipment, accommodation, gifts. travel etc.

Separately could you please provide the cost of the mayoral car, it's value and what it is. I calculate the 20 working day period to be Tuesday 10 November 2020 If you require any clarification please don't hesitate to contact me before then. Kind regards

Please find attached a table detailing our response to your information request for a breakdown of expenses line-by-line, for item, cost, reasons and date including entertainment costs, office equipment, accommodation, gifts, travel etc. of Mayoral expenses since the Election 2019, for the Dunedin City Council Mayor, Aaron Hawkins.

Your request also asked for information to be provided "separately from this table on the cost of the mayoral car, its value and what it is". I advise that Mayor Hawkins does not have a mayoral vehicle and therefore there are no details to be provided in this regard.

Yours sincerely
