Dear [REDACTED]

**Local Government Official Information and Meetings Act 1987 (LGOIMA) request for fluoride measurements**

I am writing in response to your request made on 26 January 2020 requesting the fluoride measurements of all water supplies for Dunedin City for 2017 and 2018.

Please find attached the measurements as requested, along with a map which indicates the fluoridated water areas within the Dunedin City boundaries. Please note that the fluoridated water supply areas are supplied by either the Mt Grand or Southern Water Treatment Plants.

Further information regarding Dunedin's water supply is available on the Dunedin City Council website <https://www.dunedin.govt.nz/services/water-supply/treatment>

Yours faithfully

Rebecca Murray  
Governance Support Officer
