I refer to your e-mail of 4 December 2019 requesting the following information:

1. A list of all CCTV camera locations that are owned OR operated by the Dunedin City Council, or any Council Controlled Organisations (CCO's).
2. A list of all camera locations used for Automatic Number Plate Recognition (ANPR) within Dunedin.

Attached for your information is a list of CCTV cameras in the Dunedin City area, noting that to the best of our knowledge this list is correct as at 23 January 2020. The Council does not have any camera's that have Automatic Number Plate Recognition ability, at this time.

As advised previously we have transferred the part of your request that relates to Council Controlled Organisations to Dunedin City Holdings Ltd.
