Subject: LGOIMA request inquiry

Dear Wendy,

I would like to identify sites in Dunedin that meet the following criteria;

1. Are zoned Rural Hill Slopes in the 2GP.
2. Are less than 15 Ha in size.

The information would enable the sites to be identified by address or legal description.

It would be helpful to know for each site if the site included a building or structure and what size that structure was.

At this stage my inquiry is whether it is straightforward for the Council to provide this information?

Kind regards,
