Dear

I refer to your e-mail below requesting information relating to applicants for land use or subdivision resource consents.

Please find attached a list of Subdivisions, the number of lots created and the address. In regards to the applicant details, the Council declines to provide this information pursuant to section 7(2)(a) of LGOIMA to protect the privacy of natural persons and also pursuant to 17(g) of LGOIMA in that if we were to provide this information it would involve substantial collation and research.

However, you have any questions please contact the Resource Consents Manager, Alan Worthington who may be able to assist.

As we have declined to provide some information you are advised that you have the right to seek a review of this decision by the Office of the Ombudsman via the following link:

## Request Text

To whom it may concern

Please consider this email as a request for information pursuant to the Local Government Official Information and Meetings Act 1987.

I request the following information held by your agency:

- The name (personal or company name) of all applicants for either land use or subdivision resource consents for multi-unit residential developments (exceeding a number of 5 and over) in the past three years within the district administered by this Council. Could this information also include the address of the property under application and The number of dwellings applied for. Also, could this information include any contact details of these parties, (e.g. phone number, email address). If the name of the applicant differs from that of the property owner, or consultant involved, could the names of all parties please be provided.

The provision of this information can be in physical or electronic form.
