I refer to your request of 30 January 2023 asking for all expenses related to the Smooth Hill consent application and documents and our telephone conversation of today (28 February 2023).

In our conversation you have refined your request to all costs associated with the most recent consent process. I confirmed that I would consult our finance department to see what, if anything, can be provided. As this could take substantial collation I advise that the time to respond to your request is extended by 30 working days (14 April 2023), pursuant to section 17(f) of LGOIMA, however, we will endeavour to provide our decision prior to this date.

As we have extended the time to respond to your request you are advised that you have the right to seek a review by the Office of the Ombudsman.
