Subject: LGOIMA request - 2022 District Licensing Committee decisions

Importance: High

Tēnā koutou,

I hope you had a lovely break.

We request the following information under the Local Government Official Information and Meetings Act. We note the LGOIMA close down period concluded 10 January, with responses due within 20 working days, being by Thursday 9 February 2023. We make this request under urgency, due to Sale and Supply of Alcohol (Community Participation) Amendment Bill reform submissions closing on 12 February 2023, and information gathered from your responses will inform our submissions.

Please advise the following for the year Jan-Dec 2022 in your territory:

1. How many new off-licence applications were approved?
2. How many new off-licence applications were objected to?
3. How many new off-licence applications were opposed by reporting agencies?
4. How many off-licence renewal applications were approved?
5. How many off-licence renewal applications were objected to?
6. How many off-licence renewal applications were opposed by reporting agencies?
7. How many new off-licence applications were declined?
8. How many new off-licence applications were withdrawn?
9. Please advise the business names and addresses which had new off-licence applications declined.
10. How many off-licence renewal applications were declined?
11. How many off-licence renewal applications were withdrawn?
12. Please advise the business names and addresses which had off-licence renewal applications declined.

13. How many new on-licence applications were approved?
14. How many new on-licence applications were objected to?
15. How many new on-licence applications were opposed by reporting agencies?
16. How many on-licence renewal applications were approved?
17. How many on-licence renewal applications were objected to?
18. How many on-licence renewal applications were opposed by reporting agencies?
19. How many new on-licence applications were declined?
20. How many new on-licence applications were withdrawn?

22. How many on-licence renewal applications were declined?
23. How many on-licence renewal applications were withdrawn?
24. Please advise the business names and addresses which had on-licence renewal applications declined.

Given licencing proceedings and applications are available to the public, no privacy concerns are raised by disclosing any of these details, including business names and licence addresses.

Aside from one exception, ARLA was not able to provide details of declined/withdrawn licence applications in 2022, thus necessitating this LGOIMA request.

Thank you, I look forward to receiving your response.
