I refer to your request below and advise that the Dunedin City Council does not have any staff currently working remotely from overseas. If we have ever had anyone working remotely it would only have been an informal agreement for a short period of time ie accompanying elected representatives on visits to sister cities or undertaking research at overseas cities relating to urban design, transport and waste services.

Dear Sir/Madam,

This is a request for official information under the Local Government Official Information and Meeting Act 1987 relating to council employees working overseas.

We request the following information:

- How many employees does the council have working remotely from overseas?
 - In each instance, please outline the salary grading for the employee and the location from which they are working.
- For each employee that is working overseas, please give a reason why this has been granted and whether this was signed off by (according to council rules) human resources and their manager.
- Please highlight how long each employee has been working form overseas.

We do not wish to cause unnecessary expense or burden on your agency. If clarification of any of our requests is needed please call or email. Likewise, if a request proves unnecessarily burdensome in form and we are likely to be able to adjust it to be more specific or better suited to your information systems without losing the benefit of what is sought, please also get in touch. If there is likely to be a delay in being able to assemble or provide some of the information requested, please provide the rest of the information as it becomes available.

To avoid unnecessary printing and postage costs, we ask that you send a confirmation of receipt, the response and any other correspondence related to this request to oliver@taxpayers.org.nz. Please include the following reference in the subject line: overseasLGOIMA

Do let me know if you need anything.

Yours faithfully,

Oliver
