I am writing in response to your information requests received on 15 and 16 February 2023 for the annual spend (and quantity) on the purchase of fluoride added to the City water supply, the company from which the fluoride is purchased, and the yearly monitoring data of fluoride in the water supply since the year 2000.

Your questions and our responses are set out below:

- 1. The amount annually that is spent on the purchase of Fluoride which is added to the City water supply.**
\$33,096 (this amount is based on the last 12 months). This annual cost is variable depending on the tonnage used.
- 2. What is the quantity of fluoride purchased annually for the City water supply.**
16.8 tonnes (this amount is based on the last 12 months)
- 3. The company in which the Fluoride is purchased from.**
The fluoride chemicals the City is using at present were purchased from Shimonoskei Mitsui Chemicals Incorporated through their NZ agent, Consolidated Chemicals.
- 4. The yearly data on the monitoring of the Fluoride in the water supply from the year 2000.**
Please find attached two monitoring data files which provide the daily fluoride levels from 1 January 2013 through to 16 February 2023 for the Mt Grand Treatment Station and the Southern Water Treatment Plant. Daily monitoring information is provided (not yearly, as requested) as this is format in which the data is held. Annual totals for tonnage can be made by adding up the daily consumption figures in the spreadsheets.

To provide the monitoring data for the years 2000 – 2013 would require substantial collation and staff time as the records are not held in electronic form, therefore we decline this part of your request pursuant to section 17 (f) of the Local Government Official Information and Meetings Act 1987 – that the information requested cannot be made available without substantial collation or research.

As we have declined part of your request, we wish to advise that you have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz

Hi Lee

Hope you are well.

As discussed, Tracey and I are the representatives for Fluoride Free Otago.

We have x2 questions which we are hoping that you might help us with.

Firstly, what is the annual amount the DCC spends on the purchase of Fluoride and what is the quantity?

Second, who/where does it come from - the supplier?

If we are asking the wrong person/department, could you please point us in the right direction.

Thanks.
