Subject: Newshub query - LGOIMA - public pools

Hi there,

I'm looking for some information on council pools within your local government area.

- How many public pool facilities are there in your council's control? **Four**
- What is the maximum number of swimmers allowed in at a time, at each facility?

St Clair – 250; Port Chalmers – 250; Te Puna O Whakaehu (Mosgiel) – 610; Moana – 1400

Note: Te Puna O Whakaehu opened in June 2023 and replaced the former pool which closed in 2021. Port Chalmers and St Clair pools are only open during the summer season.

How many days was each facility closed this year, outside normal days they are shut, up to September 30th? **8 days**

- How many days was each facility partially closed this year, up to September 30th? **N/A**
- How many people used the pool facilities this year to September 30th, on average, per day? **1828**
- What was the reason for the closures and partial closures? **St Clair Pool (by the sea) due to flooding, other closures due to staff shortages.**

- How many days was each facility closed last year (2022), outside normal days they are shut, for the full calendar year? **13 Days**
- How many days was each facility partially closed, in 2022? **5 days**
- How many people used the pool facilities in 2022 on average, per day? **1648**
- What was the reason for the closures and partial closures? **Due to covid, staff shortage and maintenance.**
- How many days was each facility closed last year (2021), outside normal days they are shut, for the full calendar year? **21 Days**
- How many days was each facility partially closed, in 2021? **N/A**
- How many people used the pool facilities in 2021 on average, per day? **21 Days**
- What was the reason for the closures and partial closures? **Covid lockdowns.**

Thanks so much,
Janika
