### Local Government Official Information and Meetings Act 1987 (LGOIMA) Request

I am writing regarding your LGOIMA request where Question Eight was transferred to the Dunedin City Council (DCC) from the Otago Regional Council to provide a response to the Dunedin portion of the request.

8. What do you know about the proportion of journeys taken by bus, by bike, in foot and by car in Dunedin and Queenstown if you have this.

Please find below the information DCC holds from the 2022/23 Dunedin City Council Annual Report the average cycle count movements of the areas and counts.

Kia ora team,

Please find below a Local Government Official Information and Meetings Act 1987 request which we believe Q8 of is more appropriately dealt with by the Dunedin City Council (with respect to Dunedin - this has also been partially transferred to QLDC). Therefore, we are partially transferring this request to you in accordance with section 12(a) and (b)(i) of the LGOIMA in that ORC does not hold the information but it is believed by the person dealing with the request to be held by another local authority.

I have advised the requester that we are transferring Q8 of her request to you. ORC will provide a response for all other parts of the request.

Kā mihi,

Sophie Butt

Could I please have any information you hold on:

1. Average numbers of people on each bus service, the services being from and to the hub.
2. How many services in the last year or over the time frames you have collected info have been on time as described in the contracts with the providers.
3. How many of these have been paid for by ORC/ how many have not been paid for by ORC.
4. How many services have been made by buses which have had their tracking off during at least part of the journey?
5. How many services have broken or turned off bee card readers?
6. How many trips have been made by gold card users?
7. Has the usage changed with more people working from home? If so what do we know about usage changes.
8. What do you know about the proportion of journeys taken by bus, by bike, in foot and by car in Dunedin and Queenstown if you have this.

Thanks,
