I refer to your request relating to the “DCC providing funding to support the local public bus service.”

I advise that the Council does undertake maintenance on behalf of the ORC, at their cost, but we do not provide any financial assistance to operate buses.

Thank you Jenny for contacting me. I am of the understanding our DCC provides funding to support the local public bus service. If that is correct, I am asking for the said amounts as per the financial years ending June 2019, 2020 and 2021 please.

Regards

I refer to your request below. I advise that your request is being considered under the Local Government Official Information and Meetings Act 1987 (LGOIMA) and a response will be provided to you within 20 working days of receipt of your request.

However, you have asked for “DCC expenditure on public transport for the financial years ending 2019, 2020 and 2021”. Can you please advise what you are referring to as “public transport”. If you

are referring to the buses then your request will be transferred to the Otago Regional Council who are responsible for the provision of public transport. If you are not referring to buses please clarify so we can assist you with your request.

As we have sort a refinement of your request the time to respond to your request will be put on hold pursuant to sections 13 (7) and (8) of LGOIMA.

Kā mihi

Thank you for your reply. I am asking for the DCC expenditure on public transport for the financial years ending 2019, 2020, and 2021 please.

I note you have forwarded my request on 13/09/23 but, to date (one week later) there has been no reply. I'm note sure what time should reasonably given to such a request and if I seem impatient I apologise. I'm just not aware of the internet process.

Regards
