I write about your LGOIMA request received 20 August 2024 for parking enforcement information.

Please find below the answers to your questions raised.

1. How many parking enforcement breaches were issued in the last financial year?

35,806

2. Please advise the value of revenue collected from these parking enforcement breaches?

\$ 2,044,115

Please note that some of the issued infringements may be contested by the customer, the infringement may be waived or some infringements may not be paid which may impact the total revenue amount.
