Dear [REDACTED]

I refer to your e-mail of 2 August 2019 and your e-mails of today. Please note that the Official Information inbox has an automated response and every time you e-mail it you will get the automated response.

As advised in the automated response the Council has 20 working days to respond to your original request, which is 30 August 2019.

However, I am able to advise as follows:

In your request you asked if the council had any plans to implement 5G or are in discussions with any of the telco's in that regard. I advise that the Council is not planning at this stage to implement 5G.

You also asked if the Council has a constitution. The Council does not have a constitution but operates under the Local Government Act.

Regards
