Hi [REDACTED]

### **Local Government Official Information and Meetings Act 1987 (LGOIMA) Request**

I am writing in regards to your LGOIMA request below. The Council does not have information relating to the number of Air BNB/book a bach accommodation in Dunedin.

The Finance Department is currently trying to identify Air BNB/book a bach accommodation that meet certain criteria. But this information is not yet available.

However, Statistics NZ recently estimated private accommodation accounted for 18% of guest nights nationally.

Hi Rebecca

At the candidate information night Sandy Graham said that information could be requested about different matters.....

I am wanting to find out stats on how many Air BnB / book a bach type accommodation we have in Dunedin with regard to our current housing crisis. Who do you think can help me with this?

I recall a council meeting a few years ago when Motel/Hotel owners spoke at a public forum requesting the council address legislation around private home accommodation....

I would like any information around this, my searching has not turned up much, maybe I don't know where to look!

Thanks

See you on Wednesday

Warm Regards
