Dear [REDACTED]

This email is in response to your official information request of 5 December 2019, addressed to the Chief Executive requesting

“In accordance with the strict requirements of Health and Safety in Employment Act 1992 are all Dunedin City Council employees without exception routinely drug tested to ensure the integrity of all Dunedin City Council operations?”

I advise that there is no requirement under the current Act for mandatory drug testing. The current Act is **The Health and Safety at Work Act 2015** (HSWA), which is New Zealand’s workplace health and safety law.

The Dunedin City Council does not have mandatory drug testing.

Yours sincerely

Lauren McDonald
