Dear [REDACTED]

Local Government Official Information and Meetings Act (LGOIMA) request for a list of trees growing around town.

I am writing in response to your LGOIMA request of 21 December 2018 requesting a list of what trees are growing around town in Council's parks and along the inner-city streets.

Please find attached the information as requested. Please note that the list of trees on Council's parks and reserves is incomplete as it only contains trees which have been physically tagged. Staff are currently working on collecting this data via GPS.

Yours faithfully

Wendy Collard
Governance Support Officer
