Dear [REDACTED]

I am writing in response to your LGOIMA request below.

I advise that of the \$820,000 awarded from the Provincial Growth Fund, as at 30 November payments totalling \$363,439 had been made to Beca Ltd. At this time, there was an outstanding invoice for \$293,849 to be paid to Beca.

The elements that you refer to below are those that have been covered by waterfront stakeholders, and were disclosed to Stuff. These equate to around \$139,000 and relate to the following:

\$90,000 for modelling  
\$20,000 for video animations  
\$15,000 exhibition space (Toitu forgone revenue)  
\$14,000 planning due diligence, governance advice

I trust this answers your query.

Kind regards

Could you find out for me please who has been paid what from the money currently having been approved from the Provincial Growth Fund.  
I understand that figures have been released to Stuff concerning money having been spent on graphics and preparations and other items

amounting to something like \$135,000 and climbing?

Since it has been itemised as to amounts the details of who it has been paid to should be easy.

Cheers,
