Dear Caroline

Thank you for your information request below.

I advise that we have not had any written correspondence with electionz.com about election booths on campus, nor have there been any DCC meeting minutes on this. I advise however that we have had discussions on this. A programme of locations for the special voting electoral booths is currently being worked on, which will include down at the Otago University.

I understand that for the last election, the rotating booth was at the University for two days. We are looking to increase this. Once finalised, I will forward you a copy of the dates that we propose to be at the University. I note that voting commences 20 September, and closes on 12 October. It is likely that we will have some presence during the first two weeks of the three week voting period.

In the run up to elections, we are encouraging all unregistered voters to enrol.

Kind regards

Sharon Bodeker
