Dear [REDACTED]

Local Government Official Information and Meetings Act 1987 (LGOIMA) request for information on DCC fleet

I am writing in response to your LGOIMA request of 1 March 2019 requesting information on number of vehicles in the fleet used for DCC business.

The vehicle fleet (including trailers, forklifts, tractors, Botanic Garden equipment etc) is 153. All DCC vehicles are used for DCC business. However, the Hyundai Santa Fe included in the total is allocated to the Mayor, who is an elected member rather than an employee.

I hope this is of assistance.

Yours faithfully
