

27 March 2019

Jo Lines-Mackenzie
Jo.lines-mackenzie@stuff.co.nz

Dear Ms Lines-Mackenzie

Local Government Official Information and Meetings Act 1987 (LGOIMA) request for information on rejected Street/Road names over the past five years

I am writing in response to your LGOIMA request of 1 March 2019 requesting information on rejected Street/Road names over the past five years.

Attached are two spreadsheets that show the roads named within the DCC boundaries. Note that some of these are still in process.

Furthermore, we can respond to the queries raised as follows:

1. How many roads does the city have?
Approximately 2,165.
2. I would like to know how many roads have been named over the past five years? Approx.
29 roads have been named. Several currently in progress.
3. Could that please be broken down year-by-year?
Please see the spreadsheets for approval dates.
4. How many were rejected?
Two.
5. Could that please be broken down year-by-year?
One in 2014, the proposed name was Kenros Lane, and one in 2017, the proposed name was Wakefield Wynd.
6. What was rejected?
Refer to question five response.
7. Can I please get a list?
The lists are attached.
8. Could that please be broken down year-by-year?
Please see attached spreadsheets.
9. What are the requirements for naming a road?
Requirements for naming a road can be found within the Road Naming Policy on the DCC website. Link: <https://www.dunedin.govt.nz/council/policies,-plans-and-strategies/policies/policies/road-naming-policy>
10. How many people have to submit when naming a road?
This is covered by the Policy, linked above. Generally, the Policy prefers two options being submitted for a road name (i.e. a preferred, and an alternative).

11. Who decides on being accepted or rejected?
The delegated authority lies with the Infrastructure Services and Networks Committee.
12. What isn't allowed for a road name?
This is covered by the Policy in particular, see the "appropriateness" criteria section.
13. Anything else you could offer me about this topic would be appreciated
The Road Naming Policy and the attached spreadsheets provide a good overview of the process for naming a road, and what has been accepted/rejected over the past five years. Please also note the approved road name register, the link and function of which can be found here: <https://www.dunedin.govt.nz/services/roads-and-footpaths/streets,-roads-and-roadsides/road-naming>
Agendas/minutes of Committee meetings containing road naming reports can be found on the DCC website.

I hope this is of assistance.

Yours faithfully

A handwritten signature in blue ink, appearing to be 'R' followed by a long horizontal stroke that curves slightly upwards at the end.
