Dear [REDACTED]

I am responding to your request for information made via our Customer Services Agency at Council on Thursday 14 November 2019, the message received as –  
*request a legal document for the public in regards to the Waterfront. Would like the document to state that if the private sector funding dries up that the public sector are not then asked to cover the short fall.*

I advise that your request is refused under section 17(e) of the Local Government Official Information and Meetings Act 1987 (LGOIMA), that no such document exists at Council. We are therefore unable to provide you with this.

As we have refused your request, you are advised that you have the right to seek a review of our decision by the Office of the Ombudsman. I have provided below a link to the Office of the Ombudsman website and contact telephone number:

Yours sincerely
