Hi Daisy,

I am writing in response to your Local Government Official Information and Meetings Act 1987 (LGOIMA) request received 15 October 2019 as below.

Please accept my apology for the delay in responding to you.

The number of noise complaints received by the Dunedin City Council each year for the past five years is as shown below:

2015	3232
2016	3394
2017	3542
2018	3799
2019	3423 (as of 16/10)

Your request for the top five streets with the most noise complaints each year for the past five years is declined under section 17(f) of LGOIMA, that the information requested cannot be made available without substantial collation. The information we hold is not in a format that allows us to provide the information you have requested. Our data base records the address that is the subject of the complaint. It is recorded as the full address, i.e., house number and street, in a single field. Given the thousands of entries each year, we are unable to easily identify the street only.

Consideration had been given to sending the file to you but to protect the privacy of property owners we are unable to do this.

As we have declined to provide the information requested, you are advised that you have the right to have this decision reviewed by the Office of the Ombudsman (0800 802 602) or e-mail: info@ombudsman.parliament.nz .

Kind regards

Natalie Savigny
