Dear [REDACTED]

Local Government Official Information and Meetings Act 1987 (LGOIMA) request for information

I am writing in response to your request made on 3 September 2019, please find below the responses to your questions raised.

Q What is meant by a nuisance complaint and by whom?

A Section 29 of the Health Act 1956 defines nuisances. Any complaint describing pest control would be considered to be a nuisance complaint.

Q How was feline status of feral ascertained?

A An assessment is made on the appearance and behaviour of a cat that is trapped. If there is any possibility that the cat is domesticated, it is released.

Yours faithfully
