Dear [REDACTED]

In response to your email received on 9 September 2019 requesting the most up-to-date street layout designs or the George St redesign.

I can advise that an update on the Retail Quarter – George Street concept design of the Central City Plan was presented to the Planning and Environment Committee on 11 June 2019. No additional updates have been made to the Central City Plan - George Street design plans since this presentation. The information you have requested is available via the links below.
