CONSULTATION ON MANAGING LOGAN PARK

Dunedin City Council is seeking feedback on improvements to Logan Park, as proposed in the Draft Logan Park Management Plan.

These include ways to improve recreational opportunities for park users. Ideas include ensuring facilities meet the needs of all users and respond to changing needs and emerging trends in participation of active recreation and sports. We also want to improve traffic circulation, parking and pedestrian amenity.

Feedback will help shape the final management plans for the park.

Have your say

Copies of the draft plan, Statement of Proposal and feedback form are available at DCC Customer Service Centres and libraries, at
